Hazel provides low-cost, high-quality pediatric care to children when they need it! With Hazel, students can receive same-day care at school or call a healthcare provider from home.

Medicaid and CHIP: In Texas, STAR and STAR Kids plans cover 100% of the cost of Hazel visits. Families of students covered by STAR and STAR Kids health insurance plans will pay \$0. Those covered by CHIP plans may have a copay. For all other plans and questions, families can contact their health plans to confirm coverage for Hazel. More information including coverage for the uninsured and cash pay can be found at my.hazel.co/kaufmanisd or by calling 972-619-7009.

Hazel at School

When your child is not feeling well, your school health office can help them see a Hazel provider over video chat quickly. 90% of students get care and return to class feeling better within 30 minutes. No missed school or work for anyone!

Hazel at Home

Headache or tummy ache? Need a prescription? When you need answers fast, you can contact a Hazel provider in minutes. A Hazel provider can offer recommendations and support for your child without leaving home.

How Can Hazel Help? Hazel can help with:

- | | | |
|---|--|---|
| <input checked="" type="checkbox"/> Headaches | <input checked="" type="checkbox"/> Acne | <input checked="" type="checkbox"/> Cough |
| <input checked="" type="checkbox"/> Animal bites | <input checked="" type="checkbox"/> Menstrual cramps | <input checked="" type="checkbox"/> Earache, Ear infection, Swimmer's ear, Earwax |
| <input checked="" type="checkbox"/> Rashes (Eczema, Allergic skin reaction, Athlete's foot, Ringworm, Impetigo, Skin infections, etc) | <input checked="" type="checkbox"/> Lice (can treat family members) | <input checked="" type="checkbox"/> Nausea, vomiting |
| <input checked="" type="checkbox"/> Asthma | <input checked="" type="checkbox"/> Bullying | <input checked="" type="checkbox"/> Diarrhea |
| <input checked="" type="checkbox"/> Minor injuries, Concussions | <input checked="" type="checkbox"/> Medication forms (e.g., allowing medication on campus) | <input checked="" type="checkbox"/> Constipation |
| <input checked="" type="checkbox"/> Pink eye, Styes | <input checked="" type="checkbox"/> Stomach aches | <input checked="" type="checkbox"/> Heartburn, Acid reflux |
