Howdy KHS Parents,

In an effort to relieve possible traffic in the morning and after school, I have outlined the traffic flow we are requesting each person to follow. Below is a detailed explanation for each of the routes labeled on the map.

- Anyone who will be dropping of a child for ATHLETICS (gym or fieldhouse), we ask that you enter the complex off of Old Kemp Highway or the entrance by the JH Lair and then follow the traffic pattern.
- All parent drop-offs and pick-ups will need to enter campus by the guard shack on Highway 1388 / S. Houston Street. The driver should turn right to drop off students, and they will enter the building between H-Wing and the Fine Arts Center or the Cafetorium. The driveway is located between the First Assembly of God Church and KHS.
- Students may only park in the designated student parking area. We have visitor parking spots reserved by the front entrance for parents and guests that come and visit during the school day.
- The front entrance is NOT a student drop off or pickup area during our busiest times. The front parking lot is only to be used by parents of GCHS students from 3:30 – 4:15 P.M. No student pick-up should occur in the front of the high school.

Please do not hesitate to call the office with any questions you may have. We request that the first couple of weeks of school you leave a little early each morning as many people will be adjusting to the routes.

Thank you & GO LIONS!
